

The Arena 330™ Shipper Fleet Services

Trip Lease

Arena Products offers a flexible variety of bundled services. They are designed to give the customer a continuous supply of Arena 330 Shippers™ and Arena quality liners. It also can include repositioning logistics, tracking, inspection and cleaning after each use.

Enjoy all of the benefits of a returnable container with the convenience of a disposable.

Why Use A Trip Lease:

- Trip lease services include cleaning, tracking and repairs
- No capital expenditure
- Cost can be less than corrugated containers
- We have depots around the US
- Control cost by paying per usage
- Fixed Pricing
- Web Based Reports

Benefits at Fill Site:

- Easy to erect tote
- User friendly bag
- 330 gallon container reduces fill set up
- Low tare weight
- Small storage footprint for totes waiting to be filled
- Custom designed training
- Full line of support accessories

Benefits at Discharge Site:

- Patented residual minimization
 - Bag Wringer
 - Air-Evac®
- Process integration support
 - Starfish Pump
 - Technical Service
 - Full line of support accessories
- No tote disposal management needed
- No washing to generate effluent waste
- Minimal space required for totes waiting to be picked up
- Custom tailored training programs
